

NOAH Badge Photograph Standards

Please send a passport photo, or professionally taken headshot that will be used for your NOAH badge. Photo must be in .jpeg format.

PLEASE NOTE: Your picture must be clear, and have a plain, neutral (i.e. tan/white/grey) background. [Follow the same requirements as for passport photos](#). No glamour shots. No hats, sunglasses or props of any kind, and no wording or encryption. Please wear professional attire such as a polo shirt or dress shirt. Clothing such as spaghetti straps or other revealing clothing or under garments are not appropriate.

IMPORTANT: Be aware that if the photo does not meet the requirements above, you could be asked to upload another, which could cause a delay in badge issuance and impact your start date at NOAH.
