
 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-855-961-5370 or visit www.MyAmeriBen.com. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.MyAmeriBen.com or call 1-855-961-5370 to request a copy.

Important Questions	Answers			Why This Matters:
What is the overall deductible?		Tier 1 and BCBSAZ	<u>Non-Network</u>	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
	Per participant:	\$6,000	\$7,500	
	Per family:	\$12,000	\$15,000	
Are there services covered before you meet your deductible?	Yes. <u>Network preventive services</u> , <u>prescription drugs</u> , breast pumps/supplies, and services requiring a <u>co-payment</u> .			This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.			You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?		Tier 1 and BCBSAZ	<u>Non-Network</u>	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
	Per participant:	\$6,450	\$10,000	
	Per family:	\$12,900	\$20,000	
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>balance-billed</u> charges, health care expenses this <u>plan</u> does not cover, charges in excess of annual maximum benefits, a penalty for failure to obtain precertification, and <u>non-network cost sharing</u> (except for emergency) do not count toward the <u>out-of-pocket limit</u> .			Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan.
