

Copperwood I and II October and November Patient Feedback

Copperwood Behavioral Health:

- I am really liking both my counselors and what they are doing for me.
- Jennifer Barreras is an amazing therapist, and I am deeply saddened that she is away on medical leave.
- Very easy to talk to I'm happy
- Very good
- I'm Immensely appreciative of you ALL who work at the Copperwood NOAH location. Thank you for your wonderful smiles and friendliness as we come in to your office. <3 sending you all love!

Copperwood II Behavioral Health:

- My counselor is exceptional. She has been very attentive and caring and informative and I appreciate what this help has done for me this far
- Thank You Kindly For My Counsler Dr Stanley He Will Be Greatly Missed A Awesome And Amazing Counsler I've Ever Met Thank You Noah ❤️

Copperwood Medical:

- Customer service from front office, back office, and provider was superb. Appointments run smooth and thorough. Thank you
- Don't have any complaints!
- Dr. Davis is amazing he takes the time to explain my condition with great detail and helped me get started on a nutrition plan to help me.
- Dr.Davis is the only doctor I've met that actually cares about my health and to create a plan to get to a solution and not give up on me.
- Esta muy bien el ambiente y servicio muchas gracias
- Front desk is amazing, kind, and very knowledgeable. And Dr. Davis is phenomenal.
- Good people
- Great service from beginning to end
- I am already referring my friends to NOAH. The resources and excellent customer service is rare. I was really surprised how well my dr listened and explained everything and how he referred me to the counselor and the community services. Everything in one place. Loved it. Thank you.
- I feel very comfortable discussing my health care needs with Dr. Davis and the team.
- Just great. Helpful, and answered weird questions and talked at my level that I could understand. Follow through great.
- Larissa W answered all of my many questions and was very knowledgeable helping with my issues. Professional and kind, I would recommend her to anyone.
- Love coming to this clinic

- Love Dr. Davis & his staff
- Mom likes Dr Wiley. She always listens and is caring to my Mothers needs.
- My daughter was not happy with her primary care doctor so I told her about NOAH. She now comes to NOAH along with her 2 children and she couldn't be happier. So am I.
- My provider was very thorough and I was comfortable knowing because he listened to me and treated me like a person.
- No words can express how grateful and blessed I am.. Doc. Davis is the best.so helpful, kind and shows so much concern and care to the patient .Staffs are awesome.
- NOAH is the leading standard when it comes to care, patient questions, and sensitivity. A remarkable staff dedicated professionals choose to work @ the Copperwood health center.
- Provider is amazing! So thorough and talked through everything.
- They listen to my cares and concerns. Answer all questions I have, and if I don't understand they will speak to me until I do..
- They're all doing their best working alongside with their parents!
- This place does a great job
- Todo muy bien
- Your services is good and wonderful.
- Great clinic , Dr. Avila was kind and helpful.

Copperwood Nutrition:

- great
- The meeting went flawless and was pleased with the whole meeting. She accepted the way I r been doing things in my weight loss journey. Was very pleased with what she had to say.

Copperwood II Community Resources:

- All the team members are so helpful.
- NOAH is a great organization with awesome employees and services for the community as a whole. My care team is amazing and have been there for my family countless times. My son is now going to be a patient and I have switched to NOAH for further care because they truly care!
