- Son excelentes 🤝 médicos

Copperwood II Behavioral Health:

- Brianna was very nice
- Give them a pizza party or a free lunch day. I really feel very well-cared-for medically. And that's a very secure comfortable feeling for someone in an uncomfortable situation.

Copperwood Medical:

- I referred my son in-law and mother to your clinic
- I trust my health care to my Dr. Davis. He is an active listener, educates me on my conditions, and refers me to specialists like dietician or diabetic eye doctor. I already recommended him to my friends and family.
- Larissa Wiley is GREAT! She listens, she answers questions forthrightly. The video visit didn't work well but that's because I am in a relative cell phone dead zone. But Ms Wiley is still great!
