**Palomino Medical:**

- Dr. Jennifer Gonzalez is THE BEST. She's nice, takes the time to explain things, and is patient.
- This office is amazing. Dr. Fuerst is wonderful!
- La Doctora Gonzales es una doctora exelente
- Dr. Avila is amazing
- Dr. Dustin Miles is awesome. He takes time with his patients and is a caring person. I moved to Phoenix from Kansas City and he is the best primary Dr. my husband and I have ever had. His nurse and staff were great also.
- First visit with Dr Cohen. Everyone was extremely nice and very informative!
- I liked Dr. Miles very much. It was my first visit with him. He was informative and caring. Great doctor.
- Muchas gracias todo estuvo muy bien
- I like that I am listened to and not just rushed through my appointments. The care, tests and treatments I have received have been excellent and have really helped me.
- The providers at Noah listened to my concerns. Thank you!
- Gracias por su buena atencion
- Todo está perfecto

- My Provider has always been very nice and professional in attending to my needs. She is just so good.
- They're always considerate of my time and are always friendly and happy 😊
- Very friendly environment in the office thank you
- Blood draw was perfect. She was super sweet and had a great conversation with her.
- Samantha is great.
- None at this time love the clinic
- You need more doctors in the facilities to handle the client's.
- No tengo quejas sobre el lugar, la atención a sido la mejor
