

! Attention NOAH Sliding Fee (Discount) Program Participants

Effective January 1, 2025, you must use NOAH's Pharmacy to continue receiving discounted prescription medications. Walgreens will no longer fill your prescriptions at the discounted rate*.

For your convenience, medications filled by NOAH's Pharmacy may be picked up at Cholla Health Center or delivered to your nearest NOAH Health Center for pick up.

Next Steps

New Medications

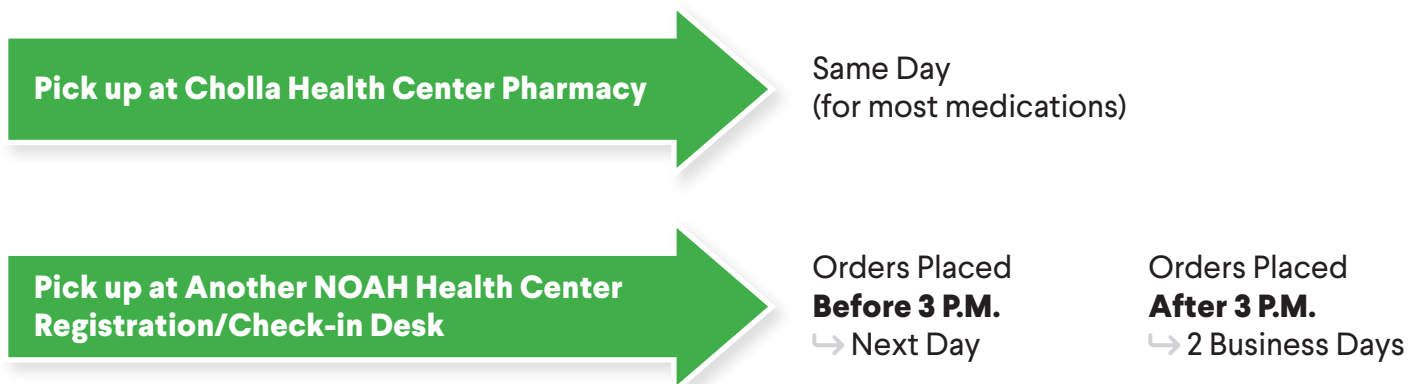

Simply ask your provider to select NOAH's Pharmacy as your preferred pharmacy and pick up your medication on-site at Cholla Health Center or ask for free delivery to another NOAH Health Center location.

Existing Prescriptions

Call NOAH's Cholla Pharmacy at 480-903-3560 and request a prescription transfer. Medication can be picked up on-site at Cholla Health Center or you can ask for free delivery to another NOAH Health Center location.

Getting Your Medication

NOAH's Cholla Pharmacy is the default pick up location. If you want to pick-up your medication at another NOAH Health Center location, you must specify which location when requesting medication.

- You may call NOAH's Pharmacy at **480-903-3560** to check the status of your order.
- To learn more about our pharmacy services, visit our website at **noahhelps.org**.
- For questions related to this change or assistance with resources, please contact NOAH Community Resources at **480-882-4545** and select option 3.

**Certain medications including controlled substances and reconstituted medications are not available for delivery. Please work with your provider to make other arrangements for affected medications.*
