LETTER OPTION 3 FROM EMPLOYEE ON BEHALF OF NOAH

Dear Congressman <LAST NAME>,

<WHO YOU ARE AND WHAT YOU WANT TO ADDRESS>

Ex. I am a healthcare provider and constituent of District 1. I am writing today to urge you to oppose pending cuts to Medicaid.

<WHY YOU WORK FOR NOAH>

Ex. I have dedicated my career to working for a federally qualified health center because I believe every person should have access to care, regardless of their financial status or ability to pay.

<HOW MEDICAID HELPS OUR PATIENTS>

Ex. In October, I diagnosed one of my patients with diabetes. NOAH's integrated model of care meant I was able to prescribe medication for next day pick-up in our clinic, schedule nutrition counseling, connect her with our free Diabetes Education and Empowerment Program, and refer her to community resources for assistance applying for AHCCCS. Fast forward six months to April 2025, this patient is thriving with her diabetes under control and new healthy lifestyle habits that have not only helped her diabetes but reduced her risk for cardiovascular disease as well.

<HOW PENDING CUTS WILL IMPACT YOUR WORK>

Ex. Without AHCCCS benefits, this patient would not have been able to afford ongoing medication refills or additional one-on-one nutritional guidance. In fact, she likely would have ended up in the emergency room racking up costly medical bills merely to stabilize her worsening condition.

<RECAP>

Ex. This scenario is not unique – more than half of my patients rely on AHCCCS. Without this important program, chronic conditions will go undiagnosed, untreated, or both. I urge you to oppose cuts to Medicaid on any level. Together, we can improve the health of our communities and provide affordable access to care for all.

Sincerely,

<FIRST NAME> <LAST NAME>
